INTERNET SINSATION

31130

For the past eight years, Aaliyah Love has been doing something quite naughty—she flirts with strangers and shares her naked body with them online. This started when she was 18. Now, at age 26, Aaliyah has amassed an impressive Internet following. Broadcasting from her humble one-room apartment, Aaliyah electrifies the Web with dirty blogs, live Wednesday night webcams, and scores of explicit photos of her stuffing her hungry holes. "It's a fun job, and I love my fans!" Aaliyah says. "I love meeting new people and showing off for them!" Appearing in CHERI, The World's Hottest Sex Mag, is a great way to increase your exposure, Aaliyah.

WHAT A FUCKING YEAR!

Jesse Revisits Her Sexiest Moments Of The Last 12 Months

Damn, it's been a busy year—but a great one, too! Me and my Digital Playground cohorts kicked ass at the Adult Video News Awards this year—check out my full report about the AVNs and Adult Entertainment Expo next issue!

But this month I want to revisit some of the sexy moments I've experienced this year. It's been twelve months of molten hot sex for me, and I couldn't be happier! Just thinking about these scorching scenes makes me wet all over again! Here are my favorite sexy scenes I've filmed this year.

Babysitters 2—There's no fantasy more naughty than screwing the girl who babysits your children, and me, Riley Steele, Kayden Kross, Stoya, and Bibi Jones bring that fantasy to life. My favorite scene in *Babysitters 2* is the massive orgy we have with Manual Ferrara—pussy pile on Manny!

Bad Girls 6—Straight up gonzo shot in glossy hi-def—I love it! No plot, no dialogue, just hardcore sex. Check out my threeway with Mick Blue and Breanne Benson. Damn, that girl is hot! And her pussy tastes like strawberries! Yum!

All photos courtesy of
Digital Playground

30084

Bad Girls 8—Kayden Kross sucking James Deen's dick, and then bending over and getting drilled with massive cock. Selena Rose stretching her tight Latina pussy over Manual Ferrara's big boner. This movie is packed with screaming hot sex—and I didn't even mention my scene or Raven Alexis' scene!

Watching You 3—I'll admit it—I'm a voyeur. I love watching people fuck. I'll bet that you do, too. *Watching You 3* is about a haunted watch that allows people to see their romantic partners having sex with other people. Creepy and undeniably kinky, this film keeps you in sexy suspense!

Sex and Corruption 2—This is another sexy thriller that gave me the chance to fuck Marcus London and Manuel Ferrara (again)! I love being me, but if I could anything else, I'd be Manuel Ferrara's dick. Imagine all the amazing pussy that thing has been inside. I want to be up inside all that great pussy, too!

Fighters—This was a tough movie to make. Kayden Kross and I trained hard for months to make the boxing sequences in this movie look authentic. So much for just showing up on the set and getting laid! But the results were fantastic. I think this might be the best movie I've ever made. And yes, you pervs, don't worry—there's tons of sex in it!

So those are some of my favorites films I've made this past year. Good money, great sex, and lots of fun! I can't wait to see what's in store for me this year. I'll see you all next month—and I'll let you know if any of the movies listed above win trophies at the Adult Video News Awards!

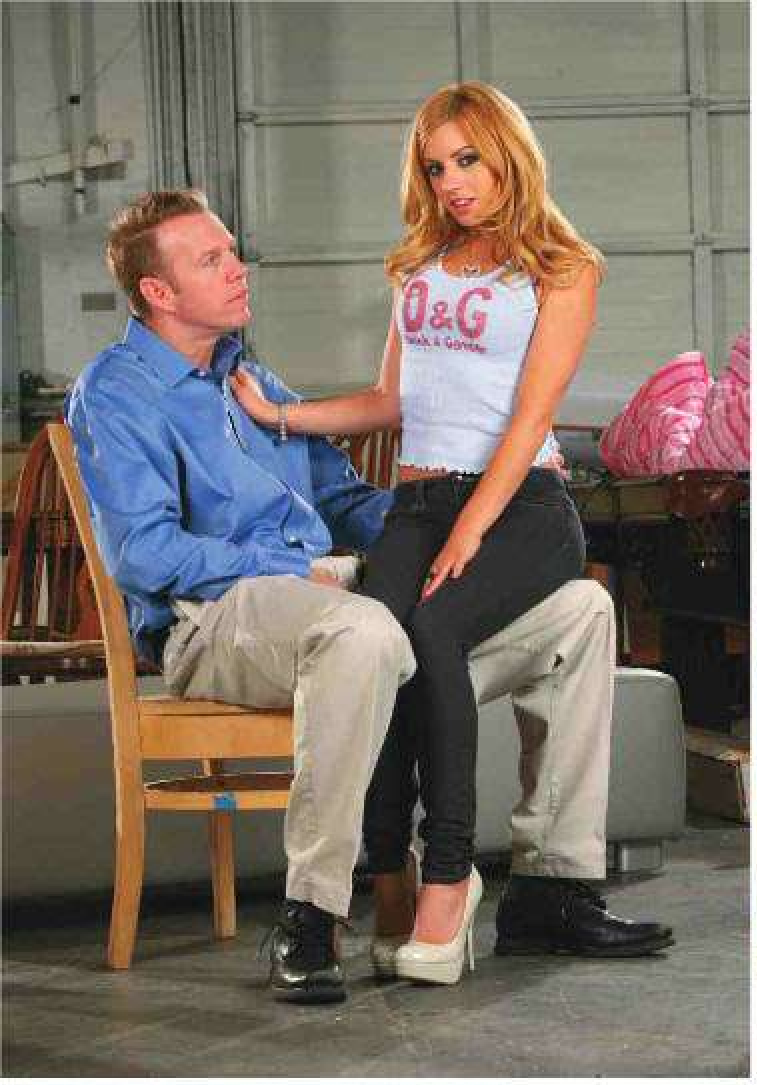
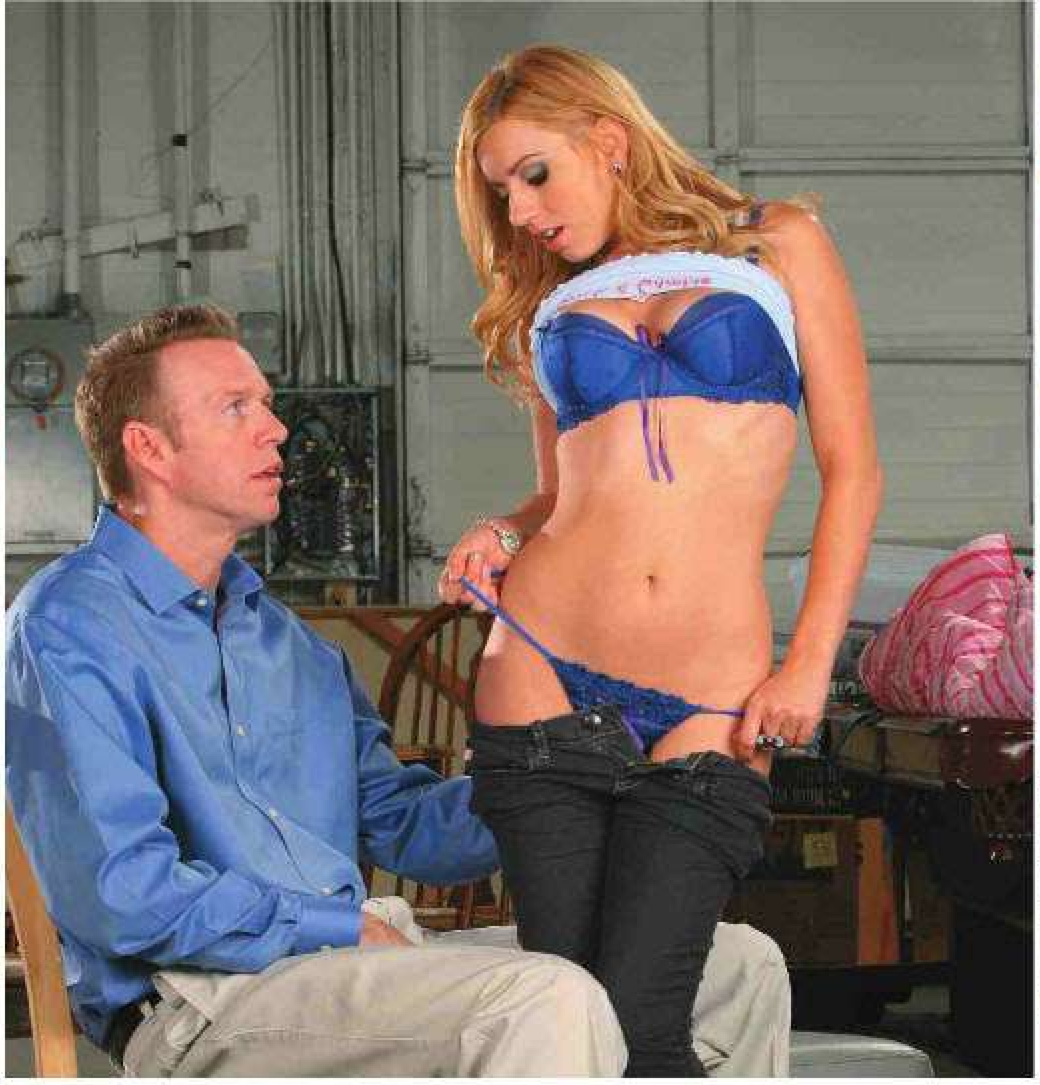
LEXI BELLE

WORK LOAD

30252





How do you make a tough workday go by a little easier? Get laid on your lunch break! This stress-busting exercise is called a "nooner," and there's no better way to relieve tension. Just ask Mark. No fast food burger for him today, not when he can stuff his face with Lexi Belle's neatly groomed furburger, and wash it down with a blast of her jamba juice. A thoughtful lunch date, Mark is sure to feed Lexi his foot-long sausage. Wow, she must be hungry—look at how she devours that thing! When Lexi and Mark get back to their respective offices this afternoon, they'll both have a renewed attitude and sharper focus. They'll also have sticky wet spots beneath their business attire.

INTERVIEW WITH A PORN STAR

CHANEL PRESTON

BREAKOUT BEAUTY WITH NO LIMITS!

Interview by Rob Perez

LAS VEGAS, NV—Explosive is the best way to describe Chanel Preston's entry into porn back in 2010, and her momentum has kept on rising. Upon her descent into porn, Chanel won virtually every major best new starlet award, and was one of the most honored and nominated girls at this year's XBiz and AVN Awards show. Chanel drew lines of fans from around the world at the Adult Entertainment Expo in Vegas. We grabbed a few minutes—and our dicks back at the hotel room—to speak up close and get personal with one of the most gorgeous girls working in porn. An unbelievable performer, Chanel has starred in several big budget features and parodies from the *Training Day* and *Taxi Driver* parodies, Wicked's *Speed*, and is the star of the new Lara Croft parody. Her work in gonzo films is what really gets us chubbed up. Anal, DP, gangbangs, lesbian, blow bangs...heck, Chanel has even fucked guys in the ass with a strap-on—Peggy-O! We won't hold that last one against her. Chanel is one our favorites to watch and is a regular in our nightly masturbatory ritual!

dYou recently did your first gangbang. How did that go?
It was interesting. It was for Zero Tolerance called *No Limits*, and it was Marco Banderas, Will Powers, Billy Glide, Danny Wilde… [Editor's Note: See our review of *No Limits* on page 107.]

Was there anal and DP?
Oh yeah, it was everything. But I knew it was going to be like that because once you've done three guys you can do 10 or whatever because there are only so many holes you have.

How many guys, 10?
No, there were only five.

You think you could do 10?
Yes.

I know you've had double penetration sex in your personal life. How do you get two guys to DP you in real life?
It's not easy so it's not like it's something I do all the time. It's not easy to find two guys that are willing to do that because not a lot of guys are comfortable doing it for starters. It's just basically a friend or someone you feel comfortable with. It's not always easy to do, so it doesn't happen all the time, but I have done it, and once in a while I do get the opportunity to do it in my personal life. But it's not an easy thing to find.

Do you feel it's easier for a guy to have two girls at the same time than it is for a girl to have two guys?
Yes, because girls, sorry to say, you give them a few drinks and they get all crazy and want to make out with everyone. It's not like that with a guy. You can't get a guy drunk and he starts making out with all the other guys. That doesn't really happen. As far as DP goes, the guys can be straight. But I think it's definitely more difficult for girls to be with two guys, plus guys egos are different than girls too. Girls can play with each other and be fine. Guys can't always do that and be fine. Maybe one guy is bigger than the other. There's a lot of ego involved so it is a lot more difficult.

When did you first have anal sex?
I was 18 or so. I had a boyfriend at the time and we tried it. I didn't really like it, but I didn't not like it. It was just kind of weird. You get used to it. Years laters I tried again with a boyfriend just out of the blue and I loved it. It was really bizarre.

> **“Anal sex makes me cum harder.**

Could you just have anal sex rather than vaginal sex?
Yeah, I could.

Why do you love anal sex so much?
Anal sex makes me cum harder. If I'm having trouble cumming—because sometimes if I drink alcohol I have trouble cumming—if I have anal sex I've never had a problem. *(Laughs)* It's something about the pressure down there; it's just a really great orgasm for me.

How about a gangbang with girls one day? What's the most girls you've had in one scene?
I don't know. There were four of us actually.

What's harder to film, a gangbang with girls or with guys?
Gangbang with girls. I think naturally in the industry, men, in order to be a good performer, are supposed to take control. That's part of being a good performer. Not every woman can do that. So sometimes it's a little bit awkward like, “Where do we go,” “What

do we do?" It's always a little funny. It's a little more mapped out with the girls I feel than with the guys.

It sort of sounds like in that scene you had four girls who were used to being the girl, more submissive with girls?
Yeah. I'm not saying that specifically. But I think in general it's more difficult with women.

Professionally, how would you describe the year you had in 2011?
It was awesome for me. Obviously I did a lot of feature work. I did lots of parodies and lots of superhero stuff. So that was kind of my big thing was all the superhero stuff.

You looked hot as Wonder Woman in *The Justice League* parody. I thought it was not only funny but corny in a good way.
(Laughs) Really? I know. On set I was like, "Hey Rob Black, Wonder Woman would not say this!" And he would say, "What do you know about Wonder Woman?" *(Laughs)*

The cheesiness was part of its charm.
Yeah, he made it kind of cute with the fake punches and stuff. I thought it was kind of funny.

What was your proudest moment, professionally?
Oh my goodness! I don't know about my proudest moment but my first year I won six brand new starlet awards which was very nice.

A lot of performers don't have good relationships with critics, but critics have always liked your scenes. Do you like the critics?

I never had issues with critics. Sometimes I want to read things just to see what people think. The only issue I have with them is sometimes they recap what happened in the movie and they don't really critique it. Sometimes I'm like, "Wait a minute. What about that scene?" *(Laughs)* "Did I do a good job?"

Which of your 2011 films really stands out?

The one I'm really excited about is Laura Croft. That was shot in December. *Rezervoir Doggs* was kind of a big deal, and I think it was kind of a big deal for all of us because there was so much acting and so much dialogue that a lot of people were having trouble with it.

How intense was shooting *Training Day XXX*?

Very. But that was after I shot *Rezervoir Doggs*, so I had to work up to that. There's obviously a lot of fighting in that movie. Nyomi Banxxx and I had to punch each other. I had to punch out three people, which is hard because I'm not a professional fighter. So I punched people in the face a couple of times, which isn't really something you want to do.

> **"There's always time to have sex!**

So this was a very physical role?

Yes, because in the Hollywood movie when Ethan Hawke's character is shoved into the bathtub and they're going to shoot him, we shot it almost exactly that way. So I definitely, physically went through some stuff for *Training Day XXX*.

What are your goals for 2012?

My goodness. That's a good question. I hope my website will be up soon, ChanelPreston.com. It should be up really soon and I want to focus on that. But I'm not sure. I'm just going to wing it, see what opportunities come about.

What awards were you up for at AVN?

Female performer of the year, Best Supporting Actress, Best Blowbang for *Justice League XXX*, Best POV, Best DP, and a couple of other ones too.

Why do girls always say they're the best at giving head, but then they don't back it up?

Well, it's the same with the guys. They all think they fuck the best. *(Laughs)* I've never said I was the best, but my blowjobs are always mentioned in my reviews so just from those clues I'm thinking I'm OK at it. And I really love sucking dick. So I think that helps. But I've never said I was the best so I'm not sure why other girls say they are.

Scale of one to ten where would you rate your blowjob skills?

Oh my god! You're putting me on the spot. I'm going to be modest and say I'm an 8.5.

“I like big cocks. I’m definitely not afraid of them. I’ll take it any day.

While working the booths at the convention is there time to have sex?
There’s always time to have sex! But I do work a lot. I don’t really know if I’m going to have sex. Maybe a quickie in the shower.

You do have one of the best bodies I’ve seen in a long time. Where would you rate yourself on a scale of one to 10?
Just in general, maybe eight or nine. It always could be better. I’ve notice that there are really only a handful of girls that really take care of themselves, fitness-wise, in the industry. I would say eight or nine. I work to have my body so I will say that.

Are there any girls in the business you haven’t worked with yet that you would love to?
I think Tori Black is gorgeous. I would love to do a scene with her. I was very close one time but it just didn’t work out. She’s gorgeous. I would love to do a scene with her.

Does size matter to you?
I wouldn’t say it matters. I will say that some girls don’t like big cocks. They’re like straight up, no way. I like big cocks, I’m definitely not afraid of them. I’ll take it any day. But I don’t think

> “I have kind of a voyeur fetish as well, so I like to watch sex.

it 100 percent matters. I've been with men that were small and we had great sex. A big part of sex is the fantasy and that's why foreplay for women is so important. If she's really aroused, size isn't always going to matter. I think it's about the game more than the size.

Do you masturbate often and what do you fantasize about when you do masturbate?

I don't masturbate every single day. I have spurts where for a week I'll masturbate all the time, and then the next week I won't masturbate at all. When I do a lot of scenes I actually masturbate more. I have kind of a voyeur fetish as well, so I like to watch sex. So I'll actually fantasize about seeing a guy have sex with a girl and not me. Just me watching. That's something I actually fantasize about a lot. I have to be there. It's not like watching porn. I have to physically be there.

What do you want to say to your fans who will be reading this in CHERI Magazine?

I absolutely love my fans! I know every girl says that, but I love meeting them. I love talking to them. I hope that they love my work and I'll try to do my best for them.

JANA JORDAN & APRIL O'NEIL

JAMMIN' DUET

Jana Jordan's fingers tremble as she opens the buttons on April's blouse. "You're going to be gentle with me, right?" she asks. "No way," April replies. "As soon as you finish undressing me, I'm going to shove my tits in your mouth. I want you to suck my nipples until they're hard and pointy." April's tone is harsh, but it sends a shiver of excitement through Jana's body. Jana's nipples tingle and she feels wetness gathering in her panties. "But…we've only just met…" Jana whispers. "You're going to taste my pussy," April says. "You're going to suck my tits, and then eat me out. I'm going to sit on your face until me make me cum in your mouth!" Jana can hardly wait. Hurry up with those blouse buttons, woman! Lez get it on!

SO BIG

31039

SIZE MATTERS TO THE LADIES OF NEW SENSATIONS

By Kotch Johnson

For New Sensations, a legendary studio that's known for going over-the-top, size *does* matter. There's no better way to make a big splash in porn than by making a big movie, and 11 scenes and over 5 hours of continuous fucking certainly is large. But size isn't measured by the amount of scenes or length of a feature alone. If you want your movie remembered as a big production, you better pack it full of giant cocks as well. So big, in fact, that they nearly split the cute little porn starlets in half!

Photos courtesy of New Sensations ***www.newsensations.com***

That's precisely the recipe for success in the mammoth man-meat marathon that is *So Big*. Nearly a dozen different damsels get their pussies pounded by soda-can-sized schlongs, and the results will make your eyes water as you wince with a combination of joy, pity. and extreme arousal.

This compilation features a combination of familiar faces and lesser-known lust-pots, a perfect mix of classic cootie and nubile newbies to "keep up" your interest. There's nearly an even split of American ass and Euro-sluts. While most of the scenes have been rehashed from previous releases, curly-cued redhead Sunny Rise stars in a brand new scene here, taking on a giant schlong straight up her ass!

ON THE SET

Angelica Saige flaunts her picture perfect squishy tushy before sucking on an oversized flesh-pole. Jenny is a flight attendant who attends to her need for seed. Cherry Lane and Alonna Red are schoolgirls who hike up their plaid skirts and go down on some dinosaur dicks. And brunette cutie Cassidy Morgan looks great as she takes a ride on the wild side, packing her pierced pussy with pecker. With this many girls taking on big dicks, there's something for everyone in this variety-packed jack-fest!

BROOKLYN LEE

NO SLEEP ‘TIL BROOKLYN

31136

Brooklyn Lee is on a roll. She cleaned up at the Adult Video Awards earlier this year, taking home trophies for Best All-Girl Group Scene (from *Cherry 2*) Most Outrageous Sex Scene and Best Oral Sex Scene (both from *American Cocksucking Sluts*), Best Sex Scene in a Foreign-Shot Production (for *Mission Asspossible*), as well as the coveted award for Best New Starlet. Now entering her second year in porn, Brooklyn is poised for even greater success. "My goal for 2012 is to fuck as many people as possible," Brooklyn says. "There are tons of people in the porn industry that I haven't had sex with yet. Plus there's the crew—the lighting technician, stage manager, make-up artist—so many faces to sit on and ride!" Don't forget the editors and artists at The World's Hottest Sex Mag," Brooklyn!

FERRARA GOMEZ

STUFFED BIRD

Don't ever confuse Ferrara Gomez with Selena Gomez. Sure, both are cute, young ladies of Latin descent. But Selena likes soft, vulnerable man-boys, like Justin Bieber. Ferrara likes rock-hard manly men—and she likes them two at a time. But even when Ferrara's got Bruno and Choky waving their rigid dicks in her face, she still feels the need to pull a bloated butt plug out of her purse and shove it up her keister. Guess she's warming her bunghole up for the main event. And, thanks to Bruno and Choky, it looks like it's going to be a double feature. You should try this sometime, Selena—you might like it!

To see more hot photos of Ferrara Gomez, visit www.cherimobile.com/29928 or simply scan the code above with your Mobile Camera Phone using your QR Code reader. Smartphone users, check your app store for a FREE QR Code Reader. Don't have a smartphone? Download a FREE QR Reader by going to http://reader.kaywa.com.

ISIS TAYLOR

BALONEY PONY

30943

Oh, Mighty Isis! You probably know Isis as the ancient Egyptian goddess of motherhood and magic. Maybe you remember the TV series from the '70s (the first featuring a female superhero—move over *Bionic Woman* and *Wonder Woman*!) The lead character would pull out her mystical amulet, say "Oh, Mighty Isis!" and be transformed into a powerful goddess. Things are easier for XXX starlet Isis Taylor. All she has to do to unleash her superpowers is get undressed. Men and women alike swoon before her naked beauty. And once they're down, Isis will ride their dicks or sit on their faces. Surrender has never felt so good!

THE BROTHER LOAD ⚡⚡⚡⚡⚡

(Jules Jordan Video) Starring: Jenna Presley, Kagney Linn Karter, Kristina Rose, Maya Hills, Tory Lane.

You know you've got something special when a porn series is considered classic by only its third installment. *Brother Load 3* is a classic alright, with a famously dirty cast and some of the hottest interracial action we've ever seen. Every scene ends in a bukakke too, but that's just the cherry on top—these scenes are downright scorching, bukakke or no bukakke! Kagney Linn Karter blows cum bubbles and slurps demon seed for starters, and Maya Hills comes out of exile to send us into ecstasy as she takes Lexington's steel in her almost-forgotten ass. Cowgirl Jenna Presley loses her ten-gallon hat in favor of eleven gallons of cum down her throat! Kristina Rose then tries to one-up Jenna by packing black beefstick into her big ass, and Tory Lane comes out of retirement to show 'em all how it's done with an almost inhumane black DP that'll make you laugh, wince, and cringe in guilty delight! This crazy cast will make an interracial fan out of anyone, with performances that'll be remembered as nothing short of legendary—a can't miss if there ever was one!

CHANEL PRESTON NO LIMITS ⚡⚡⚡⚡⚡

(Zero Tolerance) **Starring: Chanel Preston, Amy Brooke.**

The title of this titillating gangbang is a bit misleading: Chanel Preston actually splits screen time evenly with Amy Brooke as each takes an hour-long turn in their respective 5-guy gangbangs. This two-scene, 10-dick marathon delivers delightfully and the 'No Limits' part of the title is aptly-named. Chanel starts things off as the gangbang novice of the two, but shines with enthusiasm and confidence as she agressively sucks five different dicks, making those classic "gack-gack-gack" noises all the while. The boys take turns fucking her pussy a little until Chanel gives them the green light to knock on her backdoor. Suddenly the action turns fast and furious with DP reaming at its finest! After a brief face-fucking breather, the boys dive back into her quivering asshole, unleashing the kracken in her crack before finally jacking on her tongue. Not bad for a beginner, but Amy Brooke comes along next to show how a pro handles multiple man-meat. After callously tossing her g-string aside, Amy brags that she's actually fucked twenty guys at once, and that five today is child's play! She spreads her own asshole and jams multiple fingers in it as she sucks several dicks at once. This bitch means business! What ensues is an hour-long free-for-all in every hole at every moment, and no matter how hard she takes it, Amy just laughs it off until the boys shoot off in her open mouth. Then she's too busy swallowing spunk to giggle anymore. This flick's no laughing matter however—it's the real deal when it cums to great gangbangs!

PERFORMERS OF THE YEAR 2012 ⚡⚡⚡⚡

(Elegant Angel) Starring: Asa Akira, Bobbi Starr, Gracie Glam, Jayden Jaymes, Lexi Belle, Kristina Rose, Kagney Linn Karter.

Elegant Angel has turned their *Performers Of The Year* series into something akin to the Academy Awards of porn. For five years running fans wait with bated breathe to see which hotties make the list. And it's not like they just replay their hottest scenes of the year—the girls film fresh, new scenes, with an interview recap of the year's events and emotions, and a chance to prove why they deserve to be on this exclusive list. In other words, they aim to please, and this year no less than seven super sluts made the grade. Wanna know how hard the girls try to prove their worth? Asa Akira gets finger-banged, deep throated, spit on, salad-tossed, face-fucked, and tea-bagged all in the first five minutes of her scene! Just think what the other six starlets will do to try and top that! It's annual porn royalty—new, hot, no-holes-barred action!

31038

ONE IN THE FRONT AND ONE IN THE REAR ⚡⚡⚡⚡

(Digital Sin) Starring: Amabella, Samantha Sin, Honey Demon, Teena Lipoldina, Candy Alexa, Angel Pink, Lulu Martinez.

What's got 11 scenes, two discs, 22 dicks, and all the pussy and ass a man could ask for? No, it's not the new season of *Keeping Up With the Kardashians*! It's Digital Sins' latest DP bonanza, *One In The Front And One In The Rear*! A heavily Euro-cast of cum trolls prove once again why Europeans have no morals as they shamelessly suck and fuck the hours away, taking cock after cock in their cans and not even batting a fake eyelash! These anal fiends jam cocks down their throat or in their pussies too, rotating all their holes equally and disgracefully for your amusement. As you might imagine, the action gets a bit repetitive at times, but there's just so much action that it really doesn't matter how many points these girls score for originality—it's all about keeping their holes filled with penis and cum, which these Euro-sluts more than succeed at!

31036

BLOW ⚡⚡⚡⚡

(Wicked) Starring: Stormy Daniels, Sarah Vandella, Diamond Kitty, Devon Lee, Charley Chase, Carmen Valentina.

It's no surprise that this double-entendre title is written, directed by and starring Stormy Daniels, who's building quite the reputation for her psycho-thriller suck-offs and multi-tasking porn skills. *Blow* is all about drugs, guns, tits and ass—the perfect storm from Stormy, who starts things off with a great sex scene with Jack Vegas (aka a Jack/Daniels scene) who jacks a large load onto her giant tits. It's a carefully blended mix of interesting plot and super sex thereafter, with some hot girl-girl action between lezzie-specialist Charley Chase and Diamond Kitty mixing up the guy-girl rhythm. But we're quick to remember this is really about Stormy, whether she's licking Devon Lee's asshole like a lollipop, or getting her fun-bags fucked while leaning on bricks of cocaine. The story will keep you jonesin' with interest, and the sex will keep you stiff (even if there's no swallowing), and when all is said and done, this is another classic Stormy/Wicked feature now belongs in your permanent collection!

WHAT'S UP HER ASS? ⚡⚡⚡

(Digital Sin) Starring: Aletta Ocean, Blue Angel, Sasha Rose, Angel Pink, Hailey, Samantha, Sorana, Bethsabe, Jennyfer, Marya, Anne, Emuna, Meggy, Soffa, Willa, Flick, Ioana, Bethany, Faith, Linda Shane, Sensual Jane, Felicity.

I'll tell you what's up her ass—a big fat dildo! This gritty girl-girl release skips the usual soft, romantic touchy-feely pretenses and goes 'straight to the A,' as sexy ladies butt-fuck each other with plastic penetration devices. There's not a hell of a lot to it really, unless you count the gaping glut-holes, wincing faces, and angry anal annihilation that takes place over two straight hours. The cast isn't particularly notable (with the exception of Aletta Ocean), the acting is pretty much non-existent, and the variety leaves a lot to be desired. But if you love butt-hole blasting, you'll dig this derriere destruction for its raw simplicity. There's something extra filthy about a girl reeking anal havoc on another girl, 'cause you know they know how it feels, and yet the ladies seem to genuinely enjoy watching their friends wince and scream as they stick dildo's uncomfortably far up their fannies. It's like a role-reversal power-trip gone bad.

LIZZ TAYLOR

JAM FEST

We got all excited when we read Hollywood hot mess Lindsay Lohan was going to be playing with XXX starlet Lizz Taylor. Lizz is a bona fide sexpot, and the thought of Lohan shoving her nicotine-stained fingers up Taylor's shaved box gave us a boner. Damn, who wouldn't want to finger that fine thang! Then we read the article again. It seem Lindsay is playing *Elizabeth Taylor* in a movie, not playing with porn star Lizz Tayler. Bummer. "Tell me about it," Lizz laments. "I was looking forward to Lindsay lending me a hand!" Hollywood is chock full of disappointments, Lizz.

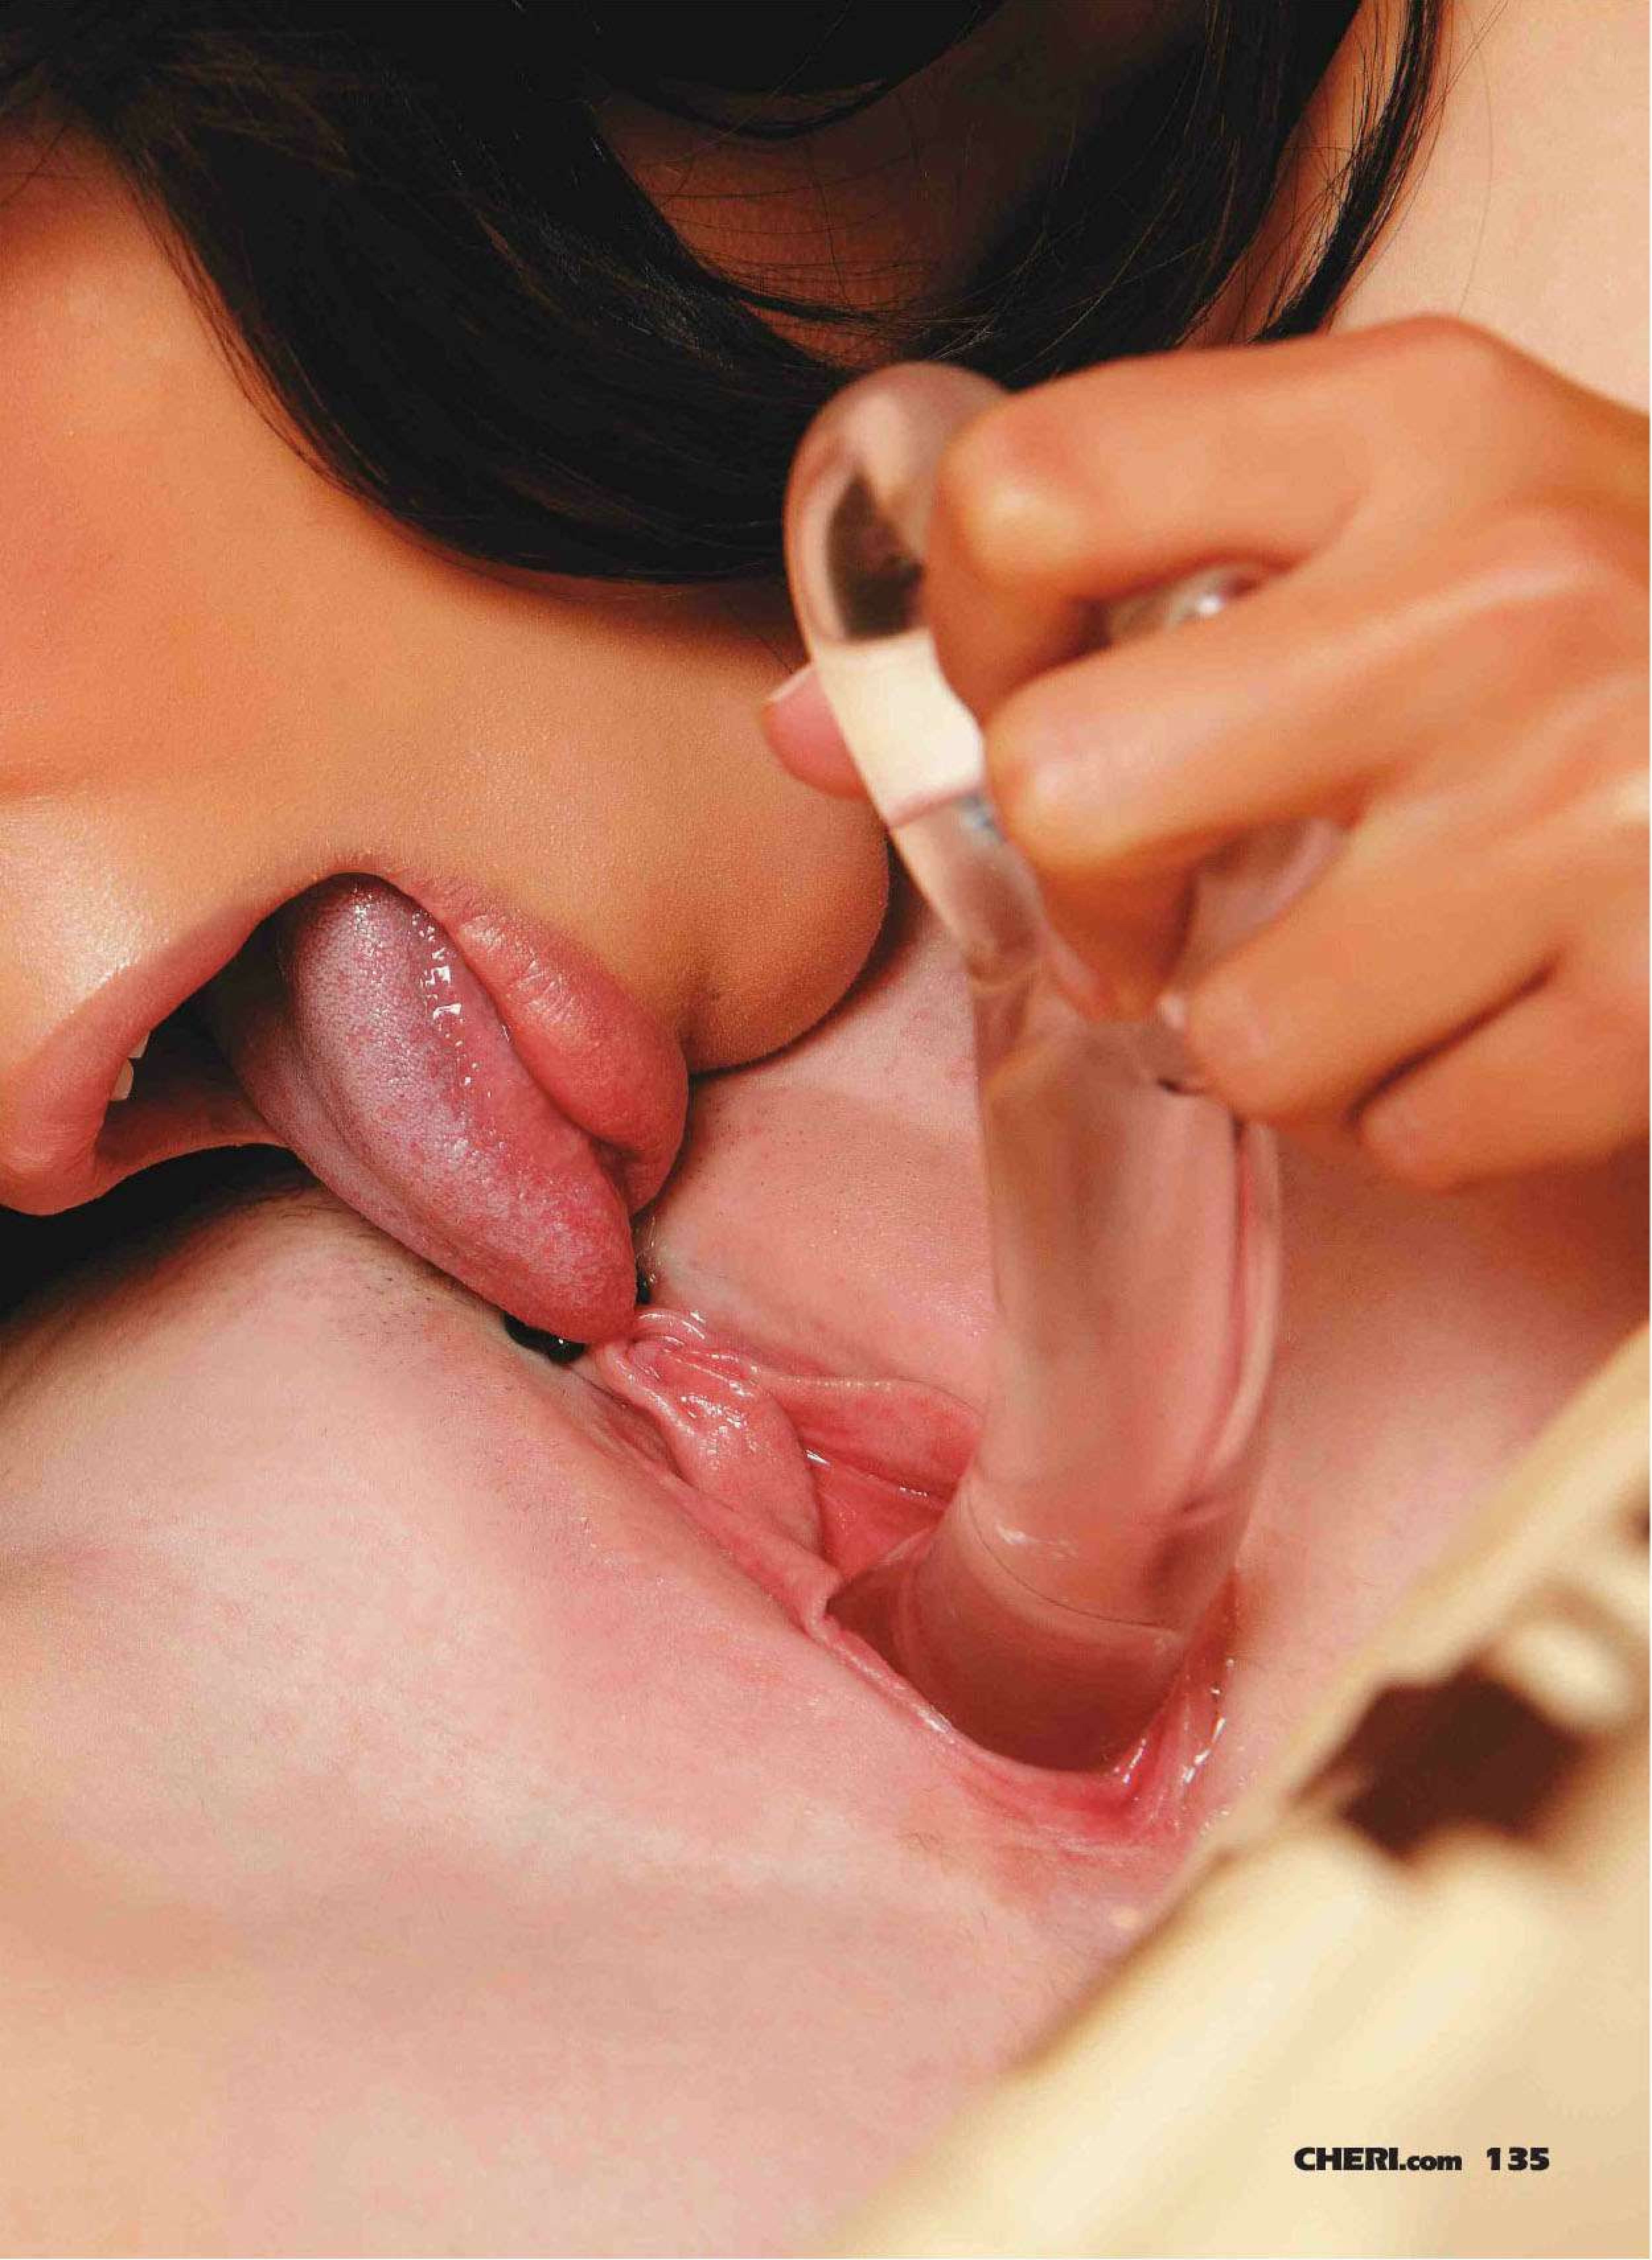
LELA STAR & ALEXIS FORD

TASTY CAKE

29814



Has former CHERI Tart Of The Year Lela Star driven a Ford lately? Yes, she doing it right now. She's driving Alexis Ford crazy with her wiggling tongue and probing fingers. Lela's making Alexis scream and cream as she swabs her asshole with her pink tongue. Now comes the glass dildo, which fills Alexis' pussy so well, and allows Lela to focus on the hot, twitching lump of Alexis' clit. Alexis cums hard, glazing Lela's face with sticky twat sauce. Now it's Lela's turn—hope you're ready to let a Ford drive *you*, Lela!
